Re: FOIA Request No.: 19-A-003

Dear Mr. Galante:

This letter is to acknowledge that the Defense Threat Reduction Agency (DTRA) received your Freedom of Information Act (FOIA) appeal on December 6, 2018 pertaining to DTRA FOIA Request 18-037. Please note that your appeal was misrouted to the National Archives and Records Administration and the Department of Energy, Office of Hearings and Appeals and subsequently emailed to DTRA for a response to you. You are appealing the agency's search for records responsive to your FOIA request for a copy of the film "Naval Atomic Weapons Vulnerability Program."

We make every effort to respond to your appeal in a timely matter; however, the processing of your appeal may exceed this dependent upon the volume of the responsive documents and the complexity of the processing.

If you have any questions regarding your appeal, please contact Pamela Andrews at 703-767-1792, or email dtrafoiaprivacy@mail.mil. You can refer to case number 19-A-003 when responding.

Sincerely,

A handwritten signature in dark ink, appearing to read "Pamela Andrews", is written over a horizontal line.
